

### Vishakha's Journey of Determination

**Vishakha Gola, a 15-year-old student of our school, is an inspiring example of courage and perseverance. Despite facing many challenges at home, she continues to work hard and dream big. Her parents often struggle with health issues, and to support her family, Vishakha helps with bangle work after school hours.**

**Even with these difficulties, Vishakha's commitment to her education has never wavered. She aspires to become a teacher one day, and her efforts truly reflect that dream. Our school is proud to support her through free learning resources such as a tablet, books, shoes, and sweaters — ensuring that no obstacle stands in the way of her learning.**

**Her dedication has brought remarkable improvement in her academics. In the CARES Test conducted in October 2025, she scored 19 mark out of 25 in English. She is also showing improvement in other subjects. Vishakha's story is a reminder that with determination, support, and self-belief, no dream is too far to achieve.**

### Career Development Program

**Ms. Abhilasha conducted a Career Development Program on 29th October for our Grade 8 and 9 students. Her session provided valuable guidance about future opportunities. The students were highly inspired and motivated by her words.**

# Session With EI Representative

**Ms. Vaishali visited DD on 28th October and conducted an interactive session with the subject-wise teachers. The purpose of the session was to help teachers better understand and analyze the CARES report of students. The representative explained how to interpret the data effectively to identify students' learning gaps and strengths. This session was very informative and helped teachers plan targeted strategies for improving student performance.**

## Kabir Yatra

**9 teachers from DD participated in the Kabir Yatra(1st oct - 5th oct.) at Bikaner Rajasthan, a unique journey that celebrates the teachings and philosophy of the great saint-poet Kabir Das. The Yatra provided them with an opportunity to experience spiritual reflection, cultural performances, and meaningful discussions on harmony and simplicity. It was a truly enriching experience that inspired them to bring Kabir's values of truth, love, and unity into their teaching.**

# Diwali Fair

**DD joyfully celebrated the Diwali Fair on 15th Oct. , where students showcased their creativity and festive spirit. They beautifully decorated diyas with colors and glitter, and later sailed them as a symbol of light and positivity. The event filled the campus with joy, togetherness, and the true essence of Diwali.**

## Home Visit

**HR Ms. Pratiksha and MS. Pooja, conducted home visits on 14<sup>th</sup> Oct. for students who were regularly absent from school. During the visits, it was found that most absences were due to health issues, parental negligence, or lack of motivation. The teachers counselled parents on the importance of education and encouraged them to ensure their children's regular attendance. These visits helped strengthen the school-home connection and promoted better participation in school activities.**

## DAU DAYAL GIRL INTER COLLEGE

Empower her future by supporting our girls education. Your contribution today will create tomorrow's leader!

They are here to fly!
