### VEERA - THE GIRL WHO TURNS CHALLENGES INTO POWER

Every afternoon, as the school bell rings, Veera begins a new chapter of her day—one that shows her true strength. Only 10 years old and studying in class 6, she walks to nearby shops to collect sarees for hemming and fall work, helping her mother earn a living. Instead of letting responsibilities slow her down, she carries them with quiet confidence. On days when the workload is heavy, she takes leave,

not out of weakness, but out of duty and love for her family. At school, we stand beside her with full support—nutritious meals, books, dresses, and even a tablet to keep her learning strong. Veera’s journey teaches us that greatness doesn’t need age; it needs courage. Her story inspires everyone who reads it. And she aspires to become a lawyer.

### DISTRICT LEVEL TAEKWONDO TRIUMPH

Our 12 talented girls from DD proudly participated in the District Level Taekwondo Competition and delivered an outstanding performance. They secured 6 gold, 4 silver, and 2 bronze medals, making us truly proud.

**Addie Gaines from the United States and Deborah Porter from Australia visited our school for one month to teach yoga to our students. Their program focused on improving the physical, emotional, and mental well-being of our girls.**

**They also visited the homes of our students to understand their daily responsibilities and the hard work they do at home. Along with this, they went to the Taj Mahal with our students for a memorable experience.**

**Addie, a retired educator with 30 years of experience and a certified yoga teacher, and Deborah, with 35 years of experience in early childhood education, shared valuable guidance with our students. We ended their visit with a warm and beautiful farewell.**

## ASSET EXAM

**We successfully conducted the ASSET exam for our students in a smooth and organized manner. The assessment will help us identify students' strengths and areas of improvement. We appreciate our students for giving their best.**

## TIPS EXAM

We have successfully conducted the TIPS for Teachers exam for our students. The exam was organized smoothly and provided our learners an opportunity to showcase their understanding and growth.

Our B.Ed teachers efficiently served as invigilators, ensuring discipline, fairness, and a supportive environment throughout the examination. Their dedication and guidance played a key role in the successful completion of the test.

## CAREER DEVELOPMENT PROGRAM

We conducted a Career Development Program for our girls where Ms. Anubhuti Dubey, a respected lawyer, interacted with the students. She also explained various legal awareness topics, helpful resources, and ways to seek legal support when needed.

## CHILDREN'S DAY SURPRISE FROM FEEDING INDIA
